PURCHASES

When making a purchase individuals are required to sign a declaration on the order form certifying that they are of the full age of 21 years, and legally qualified to purchase under the Liquor Control Act. Purchases must be paid for in cash.

No purchases may be made by a person under 21 years of age, an Interdicted Person, or anyone otherwise disqualified under The Liquor Control Act, 1958 or any other statute.

It is impracticable to carry in all stores a full line of the various brands listed. However, should a customer desire a particular brand which is listed but not stocked at the store supplying his district, the Vendor will, upon request, order it from the Warehouse.

PRICES

Prices are uniform at all Alberta Liquor Stores.

MAIL ORDERS

(1) General

When ordering by mail, customers should send a signed order, stating Brand, Price List number and quantity required to the closest Mail Order store—see list below.

As shipment cannot be made until payment has been received, a remittance to cover should be sent with the order. Remittances should be made by Certified Cheque or Money Order,—stamps and uncertified cheques cannot be accepted. It is strongly recommended that you do not enclose Cash, as the Board will not accept any responsibility for remittances made in that manner.

If a Brand ordered is out of stock, another Brand, if available, most nearly approximating in price that ordered, will be substituted.

In the event of a shortage in the amount remitted, the order will be held until the customer is communicated with, and the shortage made good. In the event of overpayment, the order will be filled and a money order for the balance, less expenses, mailed to the customer at his given address.

(2) For shipment by Express

All Mail Orders for shipment by Express should be addressed to which ever one of the following stores is closest to the purchaser. Express charges on all shipments with the exception of beer and malt liquor will be paid by the Board. Shipments of Beer, Ale, Stout and Malt Liquor will be forwarded "Express charges collect."

Where an express agent has an office all shipments will be forwarded by express.

Customers wishing to take advantage of postal arrangements must give instructions to that effect with their order, and forward it to one of the following points:

Alberta Liquor Warehouse, 10160 - 103rd St., Edmonton.

WINE INFORMATION

Wines are listed under five categories, according to the way they are used.

1. **Appetizer Wines**—serve chilled before meals.
2. **Dessert Wines**—range from sweet to very sweet and are usually served at room temperature with dessert.
3. **Red Table Wines**—range from dry to medium dry and are most suitable when served at room temperature with red meat or game.
4. **White Table Wines**—vary from dry to sweet. Dry types are best served with seafood and white meats, and the sweet with dessert. Serve chilled.
5. **Sparkling and Bubbling Wines**—are suitable for serving before or during a meal. They should be chilled.

The question of which wines are best to serve with different foods is difficult to answer since it depends on individual taste or preference. The above suggestions are only a guide.

Generally speaking Sparkling and Table Wines contain less than 14% Alcohol by volume, and will not keep after being opened.

Appetizer and Dessert Wines contain more than 14% Alcohol by volume and keep quite well after being opened.

Wines should be stored in a cool (55°), dry cellar. Table Wine sealed with a cork should be placed flat on the shelf to keep the cork damp, and prevent the contents from spoiling.

Eventually most wines deposit a sediment which is formed during the natural process of aging. To serve such wines, pour carefully after the sediment has settled.
